

SaChE Student Safety Certificate Program

The following students have successfully completed the listed Certificate program in 2008 as of December 31, 2008.

Last Name	First Name	School	Certificate
Abdulbaki	Mazen	Rice University	Safety in the Process Industries
Abud	Daniel	University of Rochester	Safety in the Process Industries
Aglan	Anwar	Michigan Technological University	Safety in the Process Industries
Alessi	Chad	University of North Dakota	Safety in the Process Industries
Alexander	Robert	Brigham Young University	Safety in the Process Industries
Allred	Jordan	Brigham Young University	Safety in the Process Industries
Argo	Diane	University of Tulsa	Safety in the Process Industries
Argyle	Brock	Brigham Young University	Safety in the Process Industries
Armfield	Mallory	Clemson University	Safety in the Process Industries
Arnold	Cody	Mississippi State University	Risk Assessment
Arnold	Cody	Mississippi State University	Runaway Reactions
Arnold	Cody	Mississippi State University	Safety in the Process Industries
Awny	Zachary	University of Tulsa	Safety in the Process Industries
Ayres	Jessica	University of Alabama-Huntsville	Safety in the Process Industries
Bahabry	Ahmed	Michigan Technological University	Safety in the Process Industries
Bair	Daniel	Brigham Young University	Safety in the Process Industries
Ball	Warren	Michigan Tech	Safety in the Process Industries
Ballard	Brett	Michigan Tech	Safety in the Process Industries
Balle	Jessica	Mississippi State University	Chemical Reactivity Hazards
Balle	Jessica	Mississippi State University	Risk Assessment
Balle	Jessica	Mississippi State University	Runaway Reactions
Balle	Jessica	Mississippi State University	Safety in the Process Industries
Bandstra	Heather	Clemson University	Safety in the Process Industries
Barlow	Richard	Mississippi State University	Chemical Reactivity Hazards
Barlow	Richard	Mississippi State	Runaway Reactions

Last Name	First Name	School	Certificate
Barlow	Richard	Mississippi State University	Safety in the Process Industries
Bartal	Nicholas	Worcester Polytechnic Institute	Safety in the Process Industries
Basha	Omar	Texas A&M University	Safety in the Process Industries
Bates	Richard	Auburn University	Safety in the Process Industries
Beigie	Carl	Rowan University	Safety in the Process Industries
Bellinger	Brandon	University of Arkansas	Runaway Reactions
Bellinger	Brandon	University of Arkansas	Safety in the Process Industries
Benbrook	Stephen	University of Arkansas	Runaway Reactions
Bender	Alan	Clemson University	Safety in the Process Industries
Bennett	Evan	Clemson University	Safety in the Process Industries
Bhaskaran	Swathi	University of Missouri, Columbia	Safety in the Process Industries
Bhima	Jay	Mississippi State University	Chemical Reactivity Hazards
Bhima	Jay	Mississippi State University	Risk Assessment
Bhima	Jay	Mississippi State University	Runaway Reactions
Bhima	Jay	Mississippi State University	Safety in the Process Industries
Biaglow	Andrew	United States Military Academy	Safety in the Process Industries
Bolak	Geoffrey	Western Michigan University	Safety in the Process Industries
Boncheff	Ryan	University of Arkansas	Runaway Reactions
Bowman	Darryl	Auburn University	Safety in the Process Industries
Bozic	Robert	United States Military Academy	Safety in the Process Industries
Bradley	Meldrum	Brigham Young University	Safety in the Process Industries
Brown	Dustin	University of Arizona	Safety in the Process Industries
Brown	Jessica	Clemson University	Safety in the Process Industries
Buckley	Shawn	Mississippi State University	Chemical Reactivity Hazards
Buckley	Shawn	Mississippi State University	Risk Assessment
Buckley	Shawn	Mississippi State University	Runaway Reactions
Buckley	Shawn	Mississippi State University	Safety in the Process Industries
Bunderson	Dustin	Brigham Young University	Safety in the Process Industries
Bundschuh	Drew	Bucknell University	Safety in the Process Industries

Last Name	First Name	School	Certificate
Burger	Aaron	University of Missouri	Safety in the Process Industries
Burr	Shawn	U of Arizona	Safety in the Process Industries
Cagnetta	Matthew	University of Connecticut	Safety in the Process Industries
Capece	Maxx	New Jersey Institute of Technology	Safety in the Process Industries
Cartee	Ryan	University of Arizona	Safety in the Process Industries
Castellane	Stephen	Mississippi State University	Risk Assessment
Castellane	Stephen	Mississippi State University	Runaway Reactions
Castellane	Stephen	Mississippi State University	Safety in the Process Industries
Chaillier	Heather	Michigan Technological University	Safety in the Process Industries
Chakka	Siri	University of Illinois - Urbana Champaign	Safety in the Process Industries
Chan	Chi Cheng	University of California, Berkeley	Safety in the Process Industries
Chang	Allister	Michigan State University	Safety in the Process Industries
Chapman	Jonathan	Brigham Young University	Safety in the Process Industries
Chavers	Alexander	Auburn University	Runaway Reactions
Chavers	Alexander	Auburn University	Safety in the Process Industries
Chavez	Raquel	University of Arizona	Safety in the Process Industries
Chavez	Raquel	University of Arizona	Safety in the Process Industries
Cheah	Yin Ern	University of Wyoming	Safety in the Process Industries
Chiu	Carrie	Clemson University	Safety in the Process Industries
Church	Andrew	University of Arizona	Safety in the Process Industries
Cokeley	Kara	Manhattan College	Safety in the Process Industries
Colduvell	Joe	Clemson University	Safety in the Process Industries
Coleman	Marcus	Auburn University	Safety in the Process Industries
Coleman	Ned	Auburn University	Safety in the Process Industries
Conard	Benjamin	Michigan Technological University	Safety in the Process Industries
Cooley	Candace	Auburn University	Safety in the Process Industries
Corrales	Paola	The University of Tulsa	Safety in the Process Industries
Crabb	Colin	Michigan Technological University	Safety in the Process Industries
Crandall	Daniel	Clemson University	Runaway Reactions

Last Name	First Name	School	Certificate
Crandall	Daniel	Clemson University	Safety in the Process Industries
Crosby	Sarah	Mississippi State University	Risk Assessment
Crosby	Sarah	Mississippi State University	Runaway Reactions
Crosby	Sarah	Mississippi State University	Safety in the Process Industries
Crostit	John	Clemson University	Safety in the Process Industries
Culbreath	Clayton	Clemson University	Safety in the Process Industries
Cullinan	Kevin	Auburn University	Safety in the Process Industries
Cutchen	William	Auburn University	Safety in the Process Industries
Dahl	Christopher	University of Arizona	Safety in the Process Industries
Dammann	Jason	Michigan Technological University	Safety in the Process Industries
Dancsisin	Mary Virginia	Auburn University	Safety in the Process Industries
Davis	Laura	Mississippi State University	Chemical Reactivity Hazards
Davis	Laura	Mississippi State University	Risk Assessment
Davis	Laura	Mississippi State University	Runaway Reactions
Davis	Jake	University of Arizona	Safety in the Process Industries
Davis	Zenda	Auburn University	Safety in the Process Industries
Davis	Laura	Mississippi State University	Safety in the Process Industries
Dawley	Nathan	University of Arkansas	Runaway Reactions
Dawley	Nathan	University of Arkansas	Safety in the Process Industries
Day	Tristan	U of Arizona	Safety in the Process Industries
Dieterle	Andrea	University of Arkansas	Safety in the Process Industries
Dinn	Laura	Tufts University	Safety in the Process Industries
Diop	Jeanette	Tufts University	Safety in the Process Industries
Dittler	Roy	University of Arizona	Safety in the Process Industries
Do	Tien	Brigham Young University	Safety in the Process Industries
Domato	Daniel	Manhattan College	Safety in the Process Industries
Draehn	Ellen	University of Arkansas	Chemical Reactivity Hazards
Draehn	Ellen	University of Arkansas	Runaway Reactions
Draehn	Ellen	University of Arkansas	Safety in the Process Industries

Last Name	First Name	School	Certificate
Duong	Hanh	University of Arizona	Safety in the Process Industries
Duong	Hanh	University of Arizona	Safety in the Process Industries
Durbin	Daniel	Michigan Technological University	Safety in the Process Industries
Dusenberry	Drew	University of Missouri	Safety in the Process Industries
Easton	McKay	Brigham Young University	Safety in the Process Industries
Eckert	Noah	University of California, Santa Barbara	Safety in the Process Industries
Eller	Kevin	University of Arizona	Safety in the Process Industries
Emerson	Joanna	University of Arizona	Safety in the Process Industries
Exton	Andrew	University of Toledo	Safety in the Process Industries
Fairley	John	Mississippi State University	Risk Assessment
Fairley	John	Mississippi State University	Runaway Reactions
Fairley	John	Mississippi State University	Safety in the Process Industries
Farmer	Adam	Mississippi State University	Risk Assessment
Farmer	Adam	Mississippi State University	Runaway Reactions
Farmer	Adam	Mississippi State University	Safety in the Process Industries
Farrior	Kathryn	Auburn University	Safety in the Process Industries
Faulkenberry	Brandon	Clemson University	Safety in the Process Industries
Ferreira	Ryan	University of Massachusetts	Safety in the Process Industries
Ferrell	Alexandra	University of Missouri-Columbia	Safety in the Process Industries
Fielder	Drew	Mississippi State University	Chemical Reactivity Hazards
Fielder	Drew	Mississippi State University	Risk Assessment
Fielder	Drew	Mississippi State University	Runaway Reactions
Fielder	Drew	Mississippi State University	Safety in the Process Industries
Fisher	Daniel	Michigan Technological University	Safety in the Process Industries
Fitzpatrick	Tyrel	Brigham Young University	Safety in the Process Industries
Floyd	Julee	Clemson University	Safety in the Process Industries
Fogleman	Jesse	Michigan State University	Safety in the Process Industries
Forbes	Marc	Mississippi State University	Chemical Reactivity Hazards
Forbes	Marc	Mississippi State University	Risk Assessment

Last Name	First Name	School	Certificate
Forbes	Marc	Mississippi State University	Runaway Reactions
Forbes	Marc	Mississippi State University	Safety in the Process Industries
Franco	Julio	Mississippi State University	Chemical Reactivity Hazards
Franco	Julio	Mississippi State University	Risk Assessment
Franco	Julio	Mississippi State University	Runaway Reactions
Franco	Julio	Mississippi State University	Safety in the Process Industries
Franke	Michael	Rensselaer Polytechnic Institute	Chemical Reactivity Hazards
Franke	Michael	Rensselaer Polytechnic Institute	Risk Assessment
Franke	Michael	Rensselaer Polytechnic Institute	Runaway Reactions
Franke	Michael	Rensselaer Polytechnic Institute	Safety in the Process Industries
Frederick	Jason	University of Michigan	Safety in the Process Industries
Fritsche	Micah	University of Arkansas	Safety in the Process Industries
Frye	Jacob	Michigan Technological University	Safety in the Process Industries
Gachago	Njeri	Clemson University	Safety in the Process Industries
Galey	Allison	New Mexico State University	Runaway Reactions
Galey	Allison	New Mexico State University	Safety in the Process Industries
Galloway	George	Mississippi State University	Risk Assessment
Galloway	George	Mississippi State University	Runaway Reactions
Galloway	George	Mississippi State University	Safety in the Process Industries
Garner	Clayton	Mississippi State University	Risk Assessment
Garner	Clayton	Mississippi State University	Runaway Reactions
Garner	Clayton	Mississippi State University	Safety in the Process Industries
Gaull	Michelle	Lehigh University	Safety in the Process Industries
Gay	Brandon	Michigan Technological University	Safety in the Process Industries
Gerberich	Christopher	Bucknell University	Safety in the Process Industries
Giesy	Timothy	University of Alabama - Huntsville	Safety in the Process Industries
Gilley	Lindsay	New Mexico State University	Chemical Reactivity Hazards
Gilley	Lindsay	New Mexico State University	Risk Assessment
Gilley	Lindsay	New Mexico State University	Runaway Reactions

Last Name	First Name	School	Certificate
Gilley	Lindsay	New Mexico State University	Safety in the Process Industries
Giragosian	Anthony	Tufts University	Safety in the Process Industries
Gittleson	Forrest	Tufts University	Safety in the Process Industries
Gonzales	Joshua	University of Missouri - Columbia	Safety in the Process Industries
Gonzalez	Meriber	San Jose State University	Safety in the Process Industries
Gorsuch	Angela	Clemson University	Safety in the Process Industries
Greene	Zachary	Mississippi State University	Risk Assessment
Greene	Zachary	Mississippi State University	Runaway Reactions
Greene	Zachary	Mississippi State University	Safety in the Process Industries
Grimes	Evan	University of Alabama in Huntsville	Safety in the Process Industries
Gurtowski	Richard	Mississippi State University	Chemical Reactivity Hazards
Gurtowski	Richard	Mississippi State University	Risk Assessment
Gurtowski	Richard	Mississippi State University	Runaway Reactions
Gurtowski	Richard	Mississippi State University	Safety in the Process Industries
Haas	Adam	University of Arizona	Safety in the Process Industries
Haibel	Elizabeth	Michigan Technological University	Safety in the Process Industries
Hall	Vincent	University of Arkansas	Safety in the Process Industries
Hallac	Basseem	Brigham Young University	Safety in the Process Industries
Handley	Joshua	Florida Institute of Technology	Safety in the Process Industries
Hanes	Nicolas	Bucknell University	Safety in the Process Industries
Hassett	Kimberly	Bucknell University	Safety in the Process Industries
Haza	Saeed	San Jose State	Safety in the Process Industries
Heckel	Kyle	University of Arizona	Safety in the Process Industries
Heimerl	Rebecca	Michigan Technological University	Safety in the Process Industries
Higginbotham	Crystal	Michigan Technological University	Safety in the Process Industries
Himebrook	Patrick	University of Alabama Huntsville	Safety in the Process Industries
Hines	Tripp	Clemson University	Safety in the Process Industries
Hoenke	Kurt	USMA	Safety in the Process Industries
Hof	Philip	University of Missouri- Columbia	Safety in the Process Industries

Last Name	First Name	School	Certificate
Hofferber	Kristen	Auburn University	Safety in the Process Industries
Holdren	Jennifer	Michigan Technological University	Safety in the Process Industries
Holland	Randy	Auburn University	Safety in the Process Industries
Hollingshead	Kyle	University of Arizona	Safety in the Process Industries
Hsu	Thomas	University of Maryland, Baltimore County	Safety in the Process Industries
Hsu	Ivann	University of Arizona	Safety in the Process Industries
Huang	Stacey	UC Berkeley	Safety in the Process Industries
Hudson	Michelle	University of Missouri-Columbia	Safety in the Process Industries
Huff	Mitchell	Clemson University	Safety in the Process Industries
Hughey	Kevin	Mississippi State University	Chemical Reactivity Hazards
Hughey	Kevin	Mississippi State University	Runaway Reactions
Hughey	Kevin	Mississippi State University	Safety in the Process Industries
Huynh	Quang	Auburn University	Safety in the Process Industries
Impellizzeri	Philip	University of Louisville Speed School of Engineering	Safety in the Process Industries
Inskip	Brett	Clarkson University	Safety in the Process Industries
Jackson	Summer	Clemson University	Safety in the Process Industries
Jagjit Singh	Jasween	Michigan Technological University	Safety in the Process Industries
James	Wade	University of Arizona	Safety in the Process Industries
Jennings	Carla	Auburn University	Safety in the Process Industries
Jensen	Mark	Brigham Young University	Safety in the Process Industries
Jensen	Marc	Brigham Young University	Safety in the Process Industries
Johnson	Anne	Clemson University	Safety in the Process Industries
Johnston	Tony	Clemson University	Safety in the Process Industries
Jones	Joseph	University of Alabama Huntsville	Safety in the Process Industries
Jones	Ashley	Clemson University	Safety in the Process Industries
Jordan	Andy	Clemson University	Safety in the Process Industries
Joshi	Tapesh	Brigham Young University	Safety in the Process Industries
Kain	Stephanie	The University of Arizona	Safety in the Process Industries
Katerberg	Shawn	Michigan Tech	Safety in the Process Industries

Last Name	First Name	School	Certificate
Kaufman	Gilad	University of Missouri Columbia	Safety in the Process Industries
Kelsey	James	University of Missouri	Safety in the Process Industries
Kennedy	Michael	University of Tulsa	Safety in the Process Industries
Kerney	Roy	University of California, Santa Barbara	Risk Assessment
Kerney	Roy	University of California, Santa Barbara	Safety in the Process Industries
Kewin	Darryl	Lehigh University	Safety in the Process Industries
Khatri	Chandra	University of Arizona	Safety in the Process Industries
Khoo	Edwin Sze Lun	Stanford University	Safety in the Process Industries
Kidney	Scott	Michigan State University	Safety in the Process Industries
Kiesl	Amanda	University of Arizona	Safety in the Process Industries
Kim	Hongsun	Cornell University	Safety in the Process Industries
King	Matthew	Worcester Polytechnic Institue	Safety in the Process Industries
Klavetter	Kyle	University of Tulsa	Safety in the Process Industries
Krystof	John	Michigan Technological University	Safety in the Process Industries
Ladenburger	Matt	South Dakota School of Mines and Technology	Safety in the Process Industries
Landsdale	Justin	New Mexico State University	Safety in the Process Industries
Lanoie	Rachel	Clemson University	Safety in the Process Industries
Lansdale	Justin	New Mexico State University	Chemical Reactivity Hazards
Lansdale	Justin	New Mexico State University	Risk Assessment
Lansdale	Justin	New Mexico State University	Runaway Reactions
Lawson	Michael O.	University of Louisville	Safety in the Process Industries
Lebowitz	Jeremy	Worcester Polytechnic Institute	Safety in the Process Industries
Lee	Hae Ryun	University of California, Berkeley	Safety in the Process Industries
Lee	Brian	Brown University	Safety in the Process Industries
Lee	John	University of Arizona	Safety in the Process Industries
Leger	Stephanie	Bucknell University	Safety in the Process Industries
Lehmann	Katherine	Johns Hopkins University	Safety in the Process Industries
Leung	Lap Yin	San Jose State University	Safety in the Process Industries
Lewis	Melissa	Michigan Technological University	Safety in the Process Industries

Last Name	First Name	School	Certificate
Lewis	Christopher	University of Arizona	Safety in the Process Industries
Liu	Frances	Columbia University	Safety in the Process Industries
Liu	Li-Chi	University of minnesota	Safety in the Process Industries
Livingston	Jager	Auburn University	Safety in the Process Industries
Loftus	Sarah	Brigham Young University	Safety in the Process Industries
Long	Alex	Brigham Young University	Safety in the Process Industries
Loper	Whitley	Auburn University	Safety in the Process Industries
Lowe	Jesse	Rowan University	Safety in the Process Industries
Lundmark	Jacob	Michigan Technological University	Safety in the Process Industries
Lutz	Joseph	Mississippi State University	Chemical Reactivity Hazards
Lutz	Joseph	Mississippi State University	Risk Assessment
Lutz	Joseph	Mississippi State University	Runaway Reactions
Lutz	Joseph	Mississippi State University	Safety in the Process Industries
Lynn	Elisabeth	University of Arizona	Safety in the Process Industries
Machado	David	University of Alabama-Huntsville	Safety in the Process Industries
Magie	Meagan	University of Arkansas	Safety in the Process Industries
Magurany	Ashley	Bucknell University	Safety in the Process Industries
Mammarella	David	Clemson University	Safety in the Process Industries
Manasse	Adam	University of Arizona	Runaway Reactions
Manasse	Adam	University of Arizona	Safety in the Process Industries
Manenkeu	Linda	Michigan Technological University	Safety in the Process Industries
Marquez	Mario	University of Arizona	Safety in the Process Industries
Massie	Alexander	University of Missouri-Columbia	Safety in the Process Industries
Matlamela	Lerato	Auburn University	Safety in the Process Industries
Mazure	Terrence	Michigan Technological University	Safety in the Process Industries
McCorkel	Mia	University of Arizona	Safety in the Process Industries
Mccottrell	Jennifer	Mississippi State University	Chemical Reactivity Hazards
Mccottrell	Jennifer	Mississippi State University	Risk Assessment
Mccottrell	Jennifer	Mississippi State University	Runaway Reactions

Last Name	First Name	School	Certificate
Mccottrell	Jennifer	Mississippi State University	Safety in the Process Industries
McDonnell	Kevin	Manhattan College	Safety in the Process Industries
McElwee	Morgan	Auburn University	Safety in the Process Industries
McGrath	Daniel	Michigan Technological University	Safety in the Process Industries
McKenzie	Erin	University of Missouri	Safety in the Process Industries
McKinnon	Samuel	Auburn University	Safety in the Process Industries
McLain	Michael	Michigan Technological University	Safety in the Process Industries
McMaster	Andrew	Mississippi State University	Chemical Reactivity Hazards
McMaster	Andrew	Mississippi State University	Risk Assessment
McMaster	Andrew	Mississippi State University	Runaway Reactions
McMaster	Andrew	Mississippi State University	Safety in the Process Industries
McPherson	Michael	University of Tulsa	Safety in the Process Industries
Means	Brandi	Auburn	Safety in the Process Industries
Meyer	Haley	University of Missouri - Columbia	Safety in the Process Industries
Meyers	Karen	New Mexico State University	Chemical Reactivity Hazards
Meyers	Karen	New Mexico State University	Risk Assessment
Meyers	Karen	New Mexico State University	Runaway Reactions
Meyers	Karen	New Mexico State University	Safety in the Process Industries
Meyers	Karen	New Mexico State University	Safety in the Process Industries
Mick	Kyle	Michigan Technology University	Safety in the Process Industries
Miller	Emily	University of Missouri - columbia	Safety in the Process Industries
Mion	Jamie	University of Pittsburgh	Safety in the Process Industries
Miranda	Cruttenden	University of Tulsa	Safety in the Process Industries
Miskin	Caleb	Brigham Young University	Safety in the Process Industries
Mitchell	Bowman	Brigham Young University	Safety in the Process Industries
Mizell	Cory	New Mexico State University	Chemical Reactivity Hazards
Mizell	Cory	New Mexico State University	Risk Assessment
Mizell	Cory	New Mexico State University	Runaway Reactions
Mizell	Cory	New Mexico State University	Safety in the Process Industries

Last Name	First Name	School	Certificate
Moceri	Emily	University of Michigan, Ann Arbor	Risk Assessment
Mock	Casey	Brigham Young University	Safety in the Process Industries
Mohan	Ritika	University of Arizona	Safety in the Process Industries
Morgan	John	Clemson University	Safety in the Process Industries
Mosher	Benjamin	Michigan Tech	Safety in the Process Industries
Muncrief	Mindy	New Mexico State University	Chemical Reactivity Hazards
Muncrief	Mindy	New Mexico State University	Risk Assessment
Muncrief	Mindy	New Mexico State University	Runaway Reactions
Muncrief	Mindy	New Mexico State University	Safety in the Process Industries
Murray	Sean	Auburn University	Safety in the Process Industries
Nagazina	Dawn	University of Tulsa	Safety in the Process Industries
Nawazuddin	Ali	Manhattan College	Safety in the Process Industries
Newman	Tyler	Brigham Young University	Safety in the Process Industries
Nichols	Joseph	Brigham Young University	Safety in the Process Industries
Nixon	Justin	University of Arizona	Safety in the Process Industries
Njegovan	Stephanie	University of Illinois, Chicago	Safety in the Process Industries
Norkoli	Derek	Michigan Technological University	Safety in the Process Industries
Novack	Andrew	Auburn University	Safety in the Process Industries
Ohno	Michael	Mississippi State University	Chemical Reactivity Hazards
Ohno	Michael	Mississippi State University	Risk Assessment
Ohno	Michael	Mississippi State University	Runaway Reactions
Ohno	Michael	Mississippi State University	Safety in the Process Industries
Orgill	James	Brigham Young University	Safety in the Process Industries
Oyeniya	Taiwo	Howard University	Safety in the Process Industries
Pappas	Jonathan	Northeastern University	Safety in the Process Industries
Park	Hyun Jin	Johns Hopkins University	Safety in the Process Industries
Parks	Kyle	Mississippi State University	Chemical Reactivity Hazards
Parks	Kyle	Mississippi State University	Risk Assessment
Parks	Kyle	Mississippi State University	Runaway Reactions

Last Name	First Name	School	Certificate
Parks	Kyle	Mississippi State University	Safety in the Process Industries
Pashby	Tiffany	Michigan Technological University	Safety in the Process Industries
Pate	Dalton	Mississippi State University	Safety in the Process Industries
Patterson	Matt	Mississippi State University	Chemical Reactivity Hazards
Patterson	Matt	Mississippi State University	Risk Assessment
Patterson	Matt	Mississippi State University	Runaway Reactions
Patterson	Neal	Auburn University	Safety in the Process Industries
Patterson	Matt	Mississippi State University	Safety in the Process Industries
Pedersen	Elizabeth	University of Arizona	Safety in the Process Industries
Peters	Josh	University of Alabama in Huntsville	Safety in the Process Industries
Petersen	Emily	Michigan Technological University	Safety in the Process Industries
Peterson	Emily	University of Louisville	Safety in the Process Industries
Peterson	Stefanie	Manhattan College	Safety in the Process Industries
Pharr	Jasmeen	Clemson University	Safety in the Process Industries
Player	Martha	Clemson University	Safety in the Process Industries
Polk	Zach	Mississippi State University	Chemical Reactivity Hazards
Polk	Zachary	Mississippi State University	Risk Assessment
Polk	Zachary	Mississippi State	Runaway Reactions
Polk	Zach	Mississippi State University	Safety in the Process Industries
Pollard	Jawann	University of Missouri, Columbia	Safety in the Process Industries
Polson	Desiree	University of Arizona	Safety in the Process Industries
Pong	Isreal	NMSU	Chemical Reactivity Hazards
Pong	Israel	New Mexico State University	Risk Assessment
Pong	Israel	New Mexico State University	Runaway Reactions
Pong	Israel	New Mexico State University	Safety in the Process Industries
Porter	Andrew	Clemson University	Risk Assessment
Porter	Andrew	Clemson University	Runaway Reactions
Porter	Andrew	Clemson University	Safety in the Process Industries
Posluszny	Denise	University of Tulsa	Safety in the Process Industries

Last Name	First Name	School	Certificate
Powell	Jonathan	University of Arkansas	Chemical Reactivity Hazards
Powell	Jonathan	University of Arkansas	Risk Assessment
Powell	Jonathan	University of Arkansas	Runaway Reactions
Powell	Jonathan	University of Arkansas	Safety in the Process Industries
Price	Cameron	University of Tulsa	Safety in the Process Industries
Pullen	Shirley Anell	Mississippi State University	Risk Assessment
Pullen	Shirely Anell	Mississippi State University	Runaway Reactions
Pullen	Shirley Anell	Mississippi State University	Safety in the Process Industries
Quadri	Haseeb	University of Illionois, Chicago	Safety in the Process Industries
Qureshi	Asad	Clemson University	Safety in the Process Industries
Raggi	Joseph	Clarkson University	Safety in the Process Industries
Reisch	Patrick	University of Missouri	Safety in the Process Industries
Rellergert	Danny	University of Missouri	Safety in the Process Industries
Reynolds	Eric	Michigan Technological University	Safety in the Process Industries
Richardson	Portia	University of Alabama Huntsville	Safety in the Process Industries
Richert	Brittany	Michigan Tech	Safety in the Process Industries
Ries	Peter	Northeastern University	Safety in the Process Industries
Rigdon	Justin	Mississippi State University	Safety in the Process Industries
Risnes	Katie	Western Michiagn University	Safety in the Process Industries
Roache	Samuel	Michigan Technological University	Safety in the Process Industries
Robert	Daniel	University of California, Santa Barbara	Safety in the Process Industries
Robinson	Rachel	University of Tulsa	Safety in the Process Industries
Rodgers	Stephanie	Mississippi State University	Risk Assessment
Rodgers	Stephanie	Mississippi State University	Runaway Reactions
Rodgers	Stephanie	Mississippi State University	Safety in the Process Industries
Romriell	Alex	Brigham Young University	Safety in the Process Industries
Rosenberg	Daniel	Michigan Technological University	Safety in the Process Industries
Roxbury	Katherine	Michigan Technological University	Safety in the Process Industries
Rudd	David	California State University Long Beach	Safety in the Process Industries

Last Name	First Name	School	Certificate
Ruffini	Nicholas	Manhattan College	Safety in the Process Industries
Rugen	Alana	University of Missouri	Safety in the Process Industries
Russell	Broderick	Brigham Young University	Safety in the Process Industries
Rutan	John	Mississippi State University	Risk Assessment
Rutan	John	Mississippi State University	Runaway Reactions
Rutan	Eric	Mississippi State University	Safety in the Process Industries
Ryan	Nicholas	Manhattan College	Safety in the Process Industries
Salas Porras	Ricardo	New Mexico State University	Chemical Reactivity Hazards
Salas Porras	Ricardo	New Mexico State University	Risk Assessment
Salas Porras	Ricardo	New Mexico State University	Runaway Reactions
Salas Porras	Ricardo	New Mexico State University	Safety in the Process Industries
Sanderson	McKell	Brigham Young University	Safety in the Process Industries
Sange	Mohammed	Clemson University	Safety in the Process Industries
Savitri	Mahayana	University of Tulsa	Safety in the Process Industries
Schanhals	Brian	Michigan Technological University	Safety in the Process Industries
Schrum	Matt	University of Tulsa	Safety in the Process Industries
Schuessler	William	Michigan Technological University	Safety in the Process Industries
Schuler	Sten	Michigan Technological University	Safety in the Process Industries
Sexton	Christopher	Arizona State University	Safety in the Process Industries
Shannon	Matthew	University of Alabama of Huntsville	Safety in the Process Industries
Sharp	David	Michigan Technological University	Safety in the Process Industries
Shelton	Kennon	University of Mississippi	Safety in the Process Industries
Shtrikman	Lev	UCLA	Safety in the Process Industries
Sidhik	Sami	University of tulsa	Safety in the Process Industries
Sigman	Eric	UW-Madison	Safety in the Process Industries
Singh	Nitin	Manhattan College	Runaway Reactions
Skinner	Charles	Auburn University	Safety in the Process Industries
Slagle	Justin	University of Arizona	Safety in the Process Industries
Smith	Erin	Mississippi State University	Risk Assessment

Last Name	First Name	School	Certificate
Smith	Erin	Mississippi State University	Runaway Reactions
Smith	Michael J.	Brigham Young University	Safety in the Process Industries
Smith	Mark	Brigham Young University	Safety in the Process Industries
Smith	Erin	Mississippi State University	Safety in the Process Industries
Smith	Justin W.	University of Missouri	Safety in the Process Industries
Soepyan	Frits Byron	The University of Tulsa	Safety in the Process Industries
Song	Ken	Michigan Technological University	Safety in the Process Industries
Sorrentino	Michael	University of Michigan	Safety in the Process Industries
Sparks	Alicia	University of Arizona	Safety in the Process Industries
Spatafore	Daniel	Rensselaer Polytechnic Institute	Safety in the Process Industries
Speed	Jason	Mississippi State University	Risk Assessment
Speed	Jason	Mississippi State University	Runaway Reactions
Speed	Jason	Mississippi State University	Safety in the Process Industries
Speliedt	Michael	Michigan Technological University	Risk Assessment
Spigarelli	Brett	Michigan Technological University	Safety in the Process Industries
Spliedt	Michael	Michigan Technological University	Chemical Reactivity Hazards
Spliedt	Michael	Michigan Technological University	Runaway Reactions
Spliedt	Michael	Michigan Technological University	Safety in the Process Industries
St. John	Chris	New Mexico State University	Chemical Reactivity Hazards
St. John	Chris	New Mexico State University	Risk Assessment
St. John	Chris	New Mexico State University	Runaway Reactions
St. John	Chris	New Mexico State University	Safety in the Process Industries
Stanley	Darik	Mississippi State University	Chemical Reactivity Hazards
Stanley	Darik	Mississippi State University	Runaway Reactions
Stanley	Darik	Mississippi State University	Safety in the Process Industries
Steel	Blake	Brigham Young University	Safety in the Process Industries
Steffens	Zach	University of Missouri	Safety in the Process Industries
Stein	Charles	Michigan Technological University	Safety in the Process Industries
Stephens	Andrew	Mississippi State University	Risk Assessment

Last Name	First Name	School	Certificate
Stephens	Andrew	Mississippi State University	Runaway Reactions
Stephens	Andrew	Mississippi State University	Safety in the Process Industries
Stnaley	Darik	Mississippi State University	Risk Assessment
Stokes	Ben	Mississippi State University	Chemical Reactivity Hazards
Stokes	Ben	Mississippi State University	Risk Assessment
Stokes	Ben	Mississippi State University	Runaway Reactions
Stokes	Ben	Mississippi state university	Safety in the Process Industries
Struckhoff	Lance	University of Missouri Columbia	Risk Assessment
Struckhoff	Lance	University of Missouri Columbia	Safety in the Process Industries
Sullivan	Lee	Michigan Technological University	Safety in the Process Industries
Sun	Hubert	University of California Santa Barbara	Safety in the Process Industries
Swainston	Timothy	Western Michigan University	Safety in the Process Industries
Tafesse	Tigist	University of Wyoming	Safety in the Process Industries
Tamimi	Ehab	University of Arizona	Safety in the Process Industries
Taylor	Erin	Clemson University	Safety in the Process Industries
Taylor	Zach	Auburn University	Safety in the Process Industries
Taylor	Kyle	Auburn University	Safety in the Process Industries
Temple	Samuel	Auburn University	Safety in the Process Industries
Thibodeaux	Natalie	University of Arkansas	Safety in the Process Industries
Thompson	Robert	California State Polytechnic University, Pomona	Runaway Reactions
Thompson	Robert	California State Polytechnic University, Pomona	Safety in the Process Industries
Thompson	Ashley	Auburn University	Safety in the Process Industries
Thurrow	Kevin	Georgia Institute of Technology	Safety in the Process Industries
Tihen	Josh	University of Missouri	Safety in the Process Industries
Tiwari	Amar	Auburn University	Safety in the Process Industries
Tourville	Sara	Auburn University	Safety in the Process Industries
Tran	Toan	Auburn University	Safety in the Process Industries
Trenshaw	Kathryn	University of Missouri - Columbia	Risk Assessment
Trenshaw	Kathryn	University of Missouri - Columbia	Runaway Reactions

Last Name	First Name	School	Certificate
Trenshaw	Kathryn	University of Missouri - Columbia	Safety in the Process Industries
Tyson	Jennifer	Auburn University	Safety in the Process Industries
Ung	Steven	Carnegie Mellon University	Safety in the Process Industries
Vakhshouri	Kiarash	University of British Columbia	Safety in the Process Industries
Valdez	Arnulfo	Auburn University	Safety in the Process Industries
Van Hart	Anthony	Michigan Technological University	Safety in the Process Industries
Vanotti	Alex	Clemson University	Safety in the Process Industries
VanOudenhove	Jennifer	University of Connecticut	Safety in the Process Industries
VanVliet	Tim	Manhattan College	Safety in the Process Industries
Via	Michael	Michigan Technological University	Safety in the Process Industries
Vigil	Shelly	New Mexico State University	Chemical Reactivity Hazards
Vigil	Shelly	New Mexico State University	Risk Assessment
Vigil	Shelly	New Mexico State University	Runaway Reactions
Vigil	Shelly	New Mexico State University	Safety in the Process Industries
Vinciguerra	Damon	Bucknell University	Safety in the Process Industries
Waddell	Evan	South Dakota School of Mines and Technology	Chemical Reactivity Hazards
Waddell	Evan	South Dakota School of Mines and Technology	Risk Assessment
Waddell	Evan	South Dakota School of Mines and Technology	Runaway Reactions
Waddell	Evan	South Dakota School of Mines and Technology	Safety in the Process Industries
Waits	Nicole	UAH	Safety in the Process Industries
Wall	Mitchell	Mississippi State University	Risk Assessment
Wall	Mitchell	Mississippi State University	Runaway Reactions
Wall	Mitchell	Mississippi State University	Safety in the Process Industries
Watkins	Samantha	University of Iowa	Safety in the Process Industries
Weaver	Nicolas	Brigham Young University	Safety in the Process Industries
Weeden	Amanda	Manhattan College	Safety in the Process Industries
Weldon	Carrie	Michigan Technological University	Safety in the Process Industries
Welnick	Jesse	Clemson University	Safety in the Process Industries

Last Name	First Name	School	Certificate
West	Matthew	The University of Arizona	Safety in the Process Industries
Wheelwright	Eric	University of Utah	Safety in the Process Industries
Wieber	Benjamin	Michigan Technological University	Safety in the Process Industries
Williams	Mykela	Auburn University	Safety in the Process Industries
Williams	Jacob	Brigham Young University	Safety in the Process Industries
Wilson	Brock	Auburn University	Safety in the Process Industries
Winkler	James	Rice University	Safety in the Process Industries
Wong	Andrew	University of Arizona	Safety in the Process Industries
Wood	Ryan	Clemson University	Safety in the Process Industries
Woytek	Jared	Auburn University	Safety in the Process Industries
Wright	Bonnie	Mississippi State University	Chemical Reactivity Hazards
Wright	Bonnie	Mississippi State University	Risk Assessment
Wright	Bonnie	Mississippi State University	Runaway Reactions
Wright	Bonnie	Mississippi State University	Safety in the Process Industries
Wynne	Paul	Mississippi State University	Chemical Reactivity Hazards
Wynne	Paul	Mississippi State University	Risk Assessment
Wynne	Paul	Mississippi State University	Runaway Reactions
Wynne	Paul	Mississippi State University	Safety in the Process Industries
Yeates	Daniel	Brigham Young University	Safety in the Process Industries
Young	Chrstina	Mississippi State University	Chemical Reactivity Hazards
Young	Christina	Mississippi State University	Risk Assessment
Young	Christina	Mississippi State University	Runaway Reactions
Young	Christina	Mississippi State University	Safety in the Process Industries
Yuan	Huajun	University of Illinois at Chicago	Safety in the Process Industries
Zheng	Min Feng	Manhattan College	Safety in the Process Industries
Zimmerman	Beth	Clemson University	Safety in the Process Industries
Zinsli	Phillip	University of Arizona	Safety in the Process Industries
